Christine and Kate --

There are several potential candidates for the Bicycle & Pedestrian Advisory Committee. I had mentioned some of them before:

- * 1. David Montez, dam03d@fsu.edu, (850) 339-0967 -- he is an FSU student who has attended a BPAC meeting and indicated his interest.
- 2. Llona Geiger, an active woman in her sixties, recommended by Susan Davis (who is not interested in being appointed)
- 3. Bruce Weaver, a blind man who works at Ability1st, is on the Leon County Transportation Disadvantaged Coordinating Board and may possibly be appointed to the City's Transit Advisory Committee.
- * 4. John Baxter, an interested citizen who has attended most BPAC meetings for over a year.
- 5. Billy Hattaway, an engineer who has interest and experience in liveable communities and has worked with Dan Burden of Walkable Communities. I have a City application from him (he actually lives outside the City limits in the County).
- 6. Katrin Kerner, a German woman, interested in bicycle/pedestrian/alternative transportation issues. I have a City application from her.
- 7. Dale Hemme, an interested citizen I have a City application from him.
- 8. Eric Poole, an interested citizen, bicyclist and planner. I have a City application from him.

I am waiting for MPO BPAC applications from David and Bruce. I have not been in contact with Ms. Geiger. Susan Davis is sending her contact info. I can get an application from John, and I'm happy to forward the City applications to you. Just trying to make sure we have the whole list to choose from.

Thanks!
Jennifer
